Request for Issuance of Service Letter

Dear Mr. Nalaka,

This is to bring to your kind notice that I had served Antler IT Solutions as a Software Engineer from 02/05/2019 till 15/01/2021. It was a tremendous journey and I learned a lot working in your esteemed organization. I really appreciate the opportunities the company provided me for my professional growth and it added great value to my profile.

I am writing this mail to request you to issue my service letter. I would be much obliged if you consider issuing me my service letter. This would help me immensely in my future career prospects.

Yours' sincerely,

-----
